	Fundraising		<p>Reviewing the golf day- golf day went well. We had less numbers of teams but fuller teams. It did drag out but there wasn't a hurry on finishing up. Earlier start time worked better. Morning tea was popular. We had more expenditure this year but more businesses on board. How can we encourage those that attend to be from the broader community?</p> <p>If we want to raise more money we need to seek entrants from outside the direct Adelong community. Better to have our own liquor licence. What can we do to encourage people to come out and understand that our event is not all about golf- possibly promote a luncheon in our promotion. Gold day raised \$4109.80. Thank you Jess for all your hard work.</p> <p>Street Stalls- May, 2020 and August, 2020.</p> <p>Talk about plans for supporting it Takes 2 – Andrew Reynolds- Trivia night/karaoke tentatively booked in for 21st March, have a charity auction with donations from the community. Donate a day of skill- eg welding. Create a school calender- to also raise money. February 2020- swimming event fundraiser. Andrew is raising money for St Josephs. The schools May street stall is to help raise funds for Tumut Take 2- Andrew and Lenny. Another idea is to have a bowls day- barefoot bowls. If anyone would like</p>	30 mins (max)
