Singh family – whipper snipping	J Roche family – whipper snipping
McDonnell family – mowing	Oberholzer family – mowing
Matthews family – mowing	Sanderson family – mowing
Brown family – whipper snipping	Maybury family – whipper snipping

This year we have broken the mowing and whipper snipping into two sections A and B, we have attached a map showing the two areas.

Once you have completed your section of the mowing or whipper snipping we ask that you let the school know that you have completed your turn. We will then let the next person know that it is their turn.

Please ensure you have re-filled the fuel tanks on the mower or whipper snipper after you finish.
